The LSEG Lipper Fund Awards, granted annually, highlight funds and fund companies that have excelled in delivering consistently strong risk-adjusted performance relative to their peers.

The LSEG Lipper Fund Awards are based on the Lipper Leader for Consistent Return rating, which is a risk-adjusted performance measure calculated over 36, 60 and 120 months. The fund with the highest Lipper Leader for Consistent Return (Effective Return) value in each eligible classification wins the LSEG Lipper Fund Award. For more information, see lipperfundawards.com. You should consider the Huber Funds' investment objectives, risks and charges and expenses carefully before you invest. The Fund's prospectus, which can be obtained by calling 1-888-482-3726 (888-HUBERCM), contains this and other information about the Funds. Please read the prospectus carefully before you invest.

Mutual Fund Investing Involves risk, loss of principal is possible. The Fund may invest in foreign securities which involve political, economic and currency risks, greater volatility, and differences in accounting methods. Additionally, the Fund is subject to concentration risk, meaning it may concentrate its assets in companies within the same or related industry. Therefore, the Fund is more exposed to volatility within that industry than a fund that was not concentrated.

The Huber Funds are distributed by Quasar Distributors, LLC.
